2021 PRO UNLIMITED UTV CHAMPION

Michael Mamelli Jr. - Pro-Driver

President/Chief Creative Officer/Secretary

Mike Mamelli Jr – “Mammal” – Founder/Driver

Michael Mamelli Jr was born in Orange County, Ca. On July 26th, 1972. From the beginning, Michael was born to compete. Born with deep family bloodlines of boat, street and drag racing, Michael was a natural “Shoe in” from an early age of 2!

Michael raced his entire life as a Water Ski Racer, BMX “Expert” Racer, Motocross Racer on track at OCIR AND SADDLEBACK and in the PARKER desert, Quad Drag Racer on the dirt and in the sand by the time he was 15. Michael began driving at 5 years old with a modified dune buggy from his father and grew up racing in Glamis Sand Dunes and continues today.

Michael’s passion to compete continues with family and his 2 kids that compete in Racing and Top-level Travel Soccer Clubs.

Always have fun!, that is the motto and words to live by for Mamelli! And if we are not having fun then we are out. To date, it seems we are having fun with the UTV RACES and so far Polaris has shown us a great Partnership and we are looking to build off of that.

We can taste the podium win like a shark smells blood but we are seasoned and realistic and need a bigger team and the financial support that our competition has to do it. We have compiled quite the resume in a short time and have created some great assets in race cars, chase trucks, trailers, race shops and tools including personnel with fellow Drivers and Mechanics. We have broken barriers and created alliances with not only our bad ass Sponsors who took a shot with us but also in the Community of racing.

WE ARE WILLING AND ABLE TO GO NEXT LEVEL FOR 2022!

STRENGTH AND HONOR!
